**Subject: October 1, 2022, Progress Report**

As required by Ontario Regulation 687/21 please accept this correspondence as Otonabee Conservation's October 1, 2022, Progress Report.

**Sec. 7 (3) (a) – Municipal Comments or Feedback Regarding the Program & Service Inventory.**

No change.

Otonabee Conservation has not received any municipal comment or feedback regarding the inventory. Conversations with municipal staff have primarily dealt with the terms of agreements and arranging for their presentation to municipal council.

**Sec. 7 (3) (b) – Summary of Changes Made to the Program & Service Inventory.**

No change.

**Sec. 7 (3) (c) - Update on the Progress of Negotiating Cost Apportioning Agreements.**

The Township of Selwyn and Otonabee Conservation executed a cost apportioning agreement on July 28, 2022.

Municipalities will be advising the Authority on how they intend to bring the matter before its Council.

**Sec. 7 (3) (d) – Outline of Any Difficulties that May Affect the Ability to Conclude Cost Apportioning Agreements by the Transition Date.**

No challenges have been identified at this time.

I trust the above adequately addresses the requirements for reporting progress. Please do not hesitate to contact me if there any questions.
